

DEBATING ETHICS:

DIGNITY AND RESPECT IN DATA DRIVEN LIFE

40th International Conference
of Data Protection and Privacy Commissioners

22-26 October 2018 • Brussels

The European Data Protection Supervisor (EDPS) will be hosting the 40th edition of the International Conference of Data Protection and Privacy Commissioners (ICDPPC) this year in Brussels from 22-26 October 2018.

Together with our co-hosts the Bulgarian Commission for Personal Data Protection (CPDP), we aim to have an inclusive, cross-disciplinary and interactive conference

Debating Ethics: Dignity and Respect in Data Driven Life.

With thought provoking and surprising interventions from all over the world - including Justice Jagdish Singh Khehar, Anita Allen, Elizabeth Denham, Sundar Pichai, Mark Zuckerberg - we will explore broadly how data and those controlling that data are influencing our values. Together, we will reflect on the digital revolution and its impact on our societies and how a digital ethics could help to maintain respect and dignity in our tech-driven world.

We want you to be part of the debate! Register now.

For more information about the conference, the programme, the speakers and registration, visit the conference website:
